#### FUTURE ENDEAVOURS:

We aim to make our children good in both **Literacy and Numeracy**

#### Literacy:

- Make them to read and write words and sentences in all three languages (**English, Tamil, and Hindi**).
- We plan to give tasks in literacy as per their age level.

#### Numeracy:

- We plan to find students skill in maths. It will help us to get future mathematicians and scientists.
- For the late bloomers, we are ready to make them shine.

#### OUR POSITIVE HOPE:

**“Be the change that you wish to see in the world.” — Mahatma Gandhi.**

Our students will become a good society in future in academics as well as discipline and we are working on it.

We aim to bring change in young generation with essential **competencies for 21<sup>st</sup> Century**.

Hope to spread the virtues of Patriotism, Friendship, Hope, understanding human behaviour and live along with nature.
